

Dear Brian,

June 5, 2011

On behalf of the Greendale Garden Gazing Club, we would like to thank the Greendale Entertainment Assoc. for their generous donation of \$300.00. One of our goals is to keep our annual walks as a free event for all who would like to attend. Your donation will help us to do this. We feel it's a wonderful opportunity to have people explore and enjoy our village.

Greendale is truly a special community, and it's organizations like yours that make it that way! We will be sure to recognize GEA on the day of our walk.

Again, thank you so much.

It is greatly appreciated.

John Richard  
GGG, Treasurer
